

Chip separator SPS 250

Separates chips from coolants efficiently

These special vacuums are suitable for cleaning machinery, vacuuming cutting oils, coolants and wet chips.

- Vacuums large quantities with high liquid content
- Extracts coolants from pump wells
- Vacuums chunky chips
- Particularly suitable for machining centres with pumping gear for continuous running

	SPS 250-W 24	SPS 250-W 36	SPS 250-D 15	SPS 250-D 22
Housing	Steel	Steel	Steel	Steel
Length x Width (mm)	1100 x 500	1100 x 500	1100 x 500	1100 x 500
Height (mm)	1.160	1.160	1.250	1.250
